

INVO 5ft Switchable Anti Corrosive Batten

Introducing our new multi wattage and CCT switchable 5ft Anti Corrosive LED batten fitting. Simple dip switches on the driver allow you to choose the wattage (25/35/40/50W) and CCT (3000k/4000K/5000K). A sleek, versatile and easy to fit solution that offers lumen efficiency of 120 Lumens per Watt. The very efficient LED means you can use a far lower powered LED fitting to produce equal, if not better, light levels than those already in place, coupled with our market leading 5 year warranty, you get peace of mind, fantastic lighting and incredible paybacks.
